50/3. State-wide one-call notice system

§ 3. The owners or operators of underground utility facilities or CATS facilities that are not currently participants in the State-Wide One-Call Notice System shall, within 6 months of the effective date of this Act, join the State-Wide One-Call Notice System. This Section shall not apply to utilities operating facilities or CATS facilities exclusively within the boundaries of a municipality with a population of at least one million persons.

P.A. 86-674, § 3, eff. Jan. 1, 1991.

Formerly Ill.Rev.Stat.1991, ch. 111 ½, ¶ 1603.

50/4. Required activities

§ 4. Every person who engages in nonemergency excavation or demolition shall: (a) take reasonable action to inform himself of the location of any underground utility facilities or CATS facilities in and near the area for which such operation is to be conducted; (b) plan the excavation or demolition to avoid or minimize interference with underground utility facilities or CATS facilities in and near the construction area; (c) provide notice not more than 14 days nor less than 48 hours (exclusive of Saturdays, Sundays and holidays) in advance of the start of the excavation or demolition to the owners or operators of the underground utility facilities or CATS facilities in and near the excavation or demolition area through the State-Wide One-Call Notice System or, in the case of nonemergency excavation or demolition within the boundaries of a municipality of at least one million persons which operates its own one-call notice system, through the one-call notice system which operates in that municipality; (d) provide, during and following excavation or demolition, such support for existing underground utility facilities or CATS facilities in and near the excavation or demolition area as may be reasonably necessary for the protection of such facilities unless otherwise agreed to by the owner or operator
